work on the 'A A' Camp was commenced a dangerous situation arose through heavy traffic passing unwarned from Green Way Lane into the Main-road. After consultation with the Chairman, a letter was written to the District Surveyor, & notice boards were erected soon afterwards. Regarding the communication from Bullards Ltd the Clerk said "On June 12th last a complaint from three parishioners was received alleging that refuse was being dumped on Little Hill from 'Red Lion' Inn yard, & complaining of the smell that came from the 'Red Lion' Inn drain whose exit was $2\frac{1}{2}$ yards from the river, on the side of Little Hill."

I immediately investigated the reported dumping & found Mr Bullen of Cromer was casting soil from the 'Red Lion' yard unto the Hill by lorry. The foreman in charge said Mr Pearson had given him permission to put the soil there, but promised that the casting would cease immediately, after hearing that Mr Pearson could give no such permission. Subsequently, Mr Pearson gave an assurance that the soil would be removed as early as possible, & as an excuse he stated he thought because the Council had allowed him to put soil there sometime ago, it would be alright this time."

5. It was resolved on the motion of R. M. Dowding, seconded by B. Pells, 'that the Clerk inform the District Sanitary Officer of the state of the drain from the 'Red Lion' Inn, & that Mr Pearson be requested

to remove the dumped soil from 'Little Hill' within a month.

6. A proposal from Mr Jarvis that the Clerk enquire the cost of litter baskets & ask the District Council if their Roadman would be allowed to empty them, was passed unanimously, having been seconded by B. Pells.
7. It was proposed by Mr Jarvis, seconded by R. M. Dowding, 'that William R. Curson be elected to this Council to fill the Casual Vacancy. An amendment was moved by W. J. Snell, seconded by B. Pells, 'that the person nominated, with the highest number of votes at the last triennial election, but did not secure election be hereby elected to fill the vacancy.' The amendment was carried by 3 votes to 2.
8. Two cheques were signed after being passed upon the proposition of W. J. Snell, seconded by Mr Jarvis, viz £4-7-6 to J. R. E. Draper for $\frac{1}{2}$ year's Allowment ^{rentals} to 11-10-38, & £1-9-0 to the Clerk for items as follows: £1-0-0 for Clerk's half-year's salary to 30-9-38, 2/6 for Cartaker's salary for year ending 30-9-38, & 1/6 one meeting's light & heat charge from School-Managers, & Audit Stamp for 1937-8 year.
9. It was resolved on the motion of R. M. Dowding seconded by Mr Jarvis 'that the Clerk asks the Clerk of the District Council for the 30 mile - speed-limit sign posts to be moved from the Cross-end of Bridge Street to the Cockthorpe Road end, & at the same time point out the dangerous

State of the main-road through the village during the summer months, through the usual traffic being greatly augmented by the Military heavy traffic, & that in this Council's opinion a new by-pass road is the only solution.

10. The clerk informed the Meeting of a verbal notice he had received from Mr George Bayfield to quit his tenancy of Allotment-garden No 1, as at April 6th 1939, & if the Council so desires he would relinquish his tenancy immediately. R. M. Lousing proposed & B. Pells seconded that Mr George Bayfield be asked to sign a form of release from his tenancy ^{as from 10-38} & when he had done so two notices be posted in the village asking for applications. This was passed unanimously.

Youngman, who had left the Parish & Council.

Samuel C Woodingham be Chairman of this Council.
The Chair was then taken by S.C. Woodingham.

that he & the Clerk had walked over the
allotments adjoining Home Hills. They had found
two allotments uncultivated, & had informed the
Estate Agent, who had replied that the
occupiers of the allotments in question had been
warned that if the allotments were not
cultivated during next season, they would be
taken away from them.

4. The new member - Richard Dowsing, signed the Declaration of Acceptance to Office.
5. The clerk read the correspondence which consisted of replies to the Council's request for permission to gather waste wood from Mr D Holdsworth, E Thistleton Smith and J.R.E. Draper, wherein they gave permission to the Council to gather waste wood from their plantations for use as fuel in the event of a shortage, and a signed letter from six householders of this Parish wherein they protested at the District Council's method of letting the Council houses in this Parish.

Dowsing, seconded by Richard Dowsing, 'that a letter of protest be prepared & sent by the Clerk to the Housing Committee of the Walsingham Rural District Council, protesting against the present method of letting Council houses in this Parish, pointing out that while there were several cases of excessive over-

64
crowding in this Parish, in only five of the seventeen Council houses here were there any children & only seven children in the whole lot, moreover three of the houses were occupied by single men. The recent case of letting a vacant Council house to a childless couple, both of whom were over 60 years of age had brought a letter of protest from six parishioners to this Council. While this Council knew it had no power over the selection of the most suitable applicant for a vacant Council house, it is suggested that its assistance might be asked for by the District Council's Housing Committee when it could put forward the applicant with the greatest need.

9. Two applications for the Council's vacant acre of Allotment were laid before the Meeting, & it was unanimously agreed on the proposition of Wm Jarvis, seconded by H.F. Owing to lack of a Clerk, Mr Crafer stood in.

- 1 The minutes of the last meeting were read by the Clerk. On the proposition by Mr Pearson, seconded by Mr Sands, which was carried, they were signed by the Chairman.
- 2 The Chairman spoke for the meeting when he regretted the death of the Clerk, Mr R. Dowsing. He mentioned the long and devoted service of Mr Dowsing to the village and felt that he would be greatly missed, particularly by the council, for whom he ~~was~~ had been Clerk since 1949. After some discussion it was proposed by Mr Sands and seconded by Lt. Colonel Bailey that the Chairman approach Mrs Parsons of Moorston with ~~the~~ a view to her filling the post.
- 3 The Precept was signed by Mr Pearson and Lt. Col. Bailey.

- 4 The Chairman read a letter from the WRDC asking for the Council's views concerning the application of Mr Robinson to purchase the allotment. It was felt that the Council's decision at its last meeting, to let the allotment to someone living in the ~~the~~ village, should stand. It was proposed by Mr Greenacre and seconded by Mr Sands that notices be put in the Post Office and the shops of Messrs Codman and Smith that the allotment is to let from the 11th Oct 59. and the Council to consider the applications, if any, at a future date. Also that a letter should be sent to the WRDC informing them of this decision. This Proposition was carried by the meeting.
- 5 It was proposed by Mr Crafer and seconded by Mr Pearson that Messrs Codman and Sands be reappointed as School Managers. This was carried.
- 6 Mr Crafer asked for guidance on the position of the Council with regard to the Village Hall. On reading the deeds, which were not very clear, it was agreed that the Council was responsible for the hall, and that its members were ex-officio on the Village Hall committee. It was proposed by Mr Crafer and seconded by Mr Sands that the secretary of the committee be asked to circulate, to members of the Council, the dates of its meetings.
- 7 The Chairman mentioned the subject of a parish notice board. Mr Sands felt that this was essential. Mr Crafer offered to make a small notice board and there was some

discussion as to the form it should take. Mr Sands proposed, seconded by L. Col Bailey, that Mr Crafer's offer be accepted and that, with Mr Harrison's permission, it should be sited in the Great Yard. This was carried.

- 8 Mr Crafer said his father, C.T. Crafer, had asked him to approach the council with a view to purchasing the acre right which he farmed. This was so that he could remove the hedge and amalgamate it with another field. After some discussion, during which some doubt was expressed about the ownership and the legal right to sell, it was decided to let Mr Crafer try and get more information on this aspect and also who benefited from the rent.

- 9 Mr Pearson raised the question of the Gravel Pit Hill property and the right of way to it. This he said was choked up and if care was not exercised we might lose the right. The meeting entirely agreed with him and on a proposition by Mr Pearson and seconded by Mr Sands that the legal aspect of ownership and the right of way be clarified and the matter then further considered, was carried.

There being no further business, the Chairman declared the meeting closed at 9.40pm.
